CHRISTMAS 1972

The Ashe family join with you all as we gather round Jesus at Bethlehem - realising with fresh wonder the chance we are given to overcome violence and evil with His love.

By now you may know that we have moved to this lovely spot in Shropshire.

Lois has successfully completed her nurses training, and Ruth and David have moved to day school in Shrewsbury otherwise, we are all doing much the same as last year!

If ever you find yourselves in this area we hope you will come and see us.

May God bless you all in 1973.
