BE YE FOLLOWERS OF GOD AS DEAR
CHILDREN, AND WALK IN LOVE, AS
CHRIST JESUS ALSO HATH LOVED US.

The Ashe family once again wish you a blessed Christmas, and His peace in 1985.

We often think of you all around the world and remember the words of the hymn:-

As O'er each continent and island
The dawn leads on another day,
The voice of prayer is never silent,
Nor dies the strain of praise away.

1984 has once again been an eventful year for us as we joyfully welcome two new Grandchildren into our midst.

PETER PATRICK was born to Var and Robert in Bangkok on April 17th - a brother for Somaly and Panita.

ESTHER JAYNE arrived on April 25th in Bristol - another little daughter for Lois and Ken and a sister for Mary.

LOIS and KEN BOULLIER with MARY and ESTHER moved to Hereford in June, where Ken was ordained as a curate to St Peter's Church. It is a joy to be able to visit them in their new home.

ROBERT and VAR have left Bangkok and are now living

with little Peter in Geneva where Robert is still working for "Food for the Hungry International", SOMALY is busy doing 'O' levels. She and PANITA are still at Wadhurst College, and it is lovely for us to see them occasionally.

JOHN and SHELAGH with 2 year old JOANNA are still in Cape Town. John is in charge of St. Faith's Church, and they have recently moved to a new vicarage. Pat and Marion hope to visit them once more before they return to England in two and a half years time.

ISLAY JANE started work with the B.P. Road Safety Team in January. She travels all over Great Britain, and is known as Islay to many of her new friends! She thoroughly enjoys seeing so much of the country.

ANDREW is at home at the moment. He has started a new job in London as a courseware designer with an interactive video disc company.

RUTH is still doing midwifery in Croydon, but her course finishes early in 1985 - We pray for God's guidance for her future.

DAVID is in his final year at the Agricultural Engineering College in Silsoe. He had a busy Summer holiday - a six week job in the East of England doing a survey on the efficiency of pea harvesters - then a visit to Robert in Geneva.

PAT and MARION are still here in Godalming! Pat's dear sister MARY died peacefully in the summer at the age of 82 years. It is always sad saying "farewell", but wonderful to know that we will meet again. We had a lovely week's holiday in Wales, and then an enjoyable fortnight visiting Pat's other sister - Ellen in Tangier recently.

We all send you our love and greetings.
