

Family News Christmas 1989

Pat and Marion Ashe send you their greetings, and best wishes to you all for 1990.

1989 has been a year of farewells and welcome to a new granddaughter. Pat's brother - William Ashe died peacefully at his home in Eastbourne in September, and their sister - Ellen Buckingham also died peacefully at her home in Tangier in November. They must have had a great welcome on the other side.
