Our Christmas news comes to you early this year as we are hoping to spend Christmas in New Zealand with

**LOIS and KEN**, 47 Church Rd. Kaitaia, Northland, N.Z. where Ken is the Vicar. **Mary** (nearly 12 yrs), **Esther** (9) and **Zoë** (6) have settled happily into their new Schools and new life. We look forward to being with them for about five weeks.

**ROBERT** is still in Geneva working for the U.N. High Commissioner for Refugees. He has recently moved to 30 Grand Montfleuri, Versoix. **Peter** now 9 years old is a border at Aldro School, where he is very happy. We, his aged grandparents enjoy watching him play rugger for the School (under 11 team).

**JOHN and SHELAGH**, **Joanna** (11 yrs), **Suzanna** and **Lucy** (5) have settled into their new Vicarage. John was made Vicar of Godalming in September. Joanna goes to King Edward's School, Witley, and the twins to a nearby primary school. Sadly Shelagh's mother died in May in Cape Town. Joyce was only ill for a few months. We saw her in February and shared in a memorable Holy Communion Service. She is a great soul, and we count it a privilege to have known her.

**ISLAY JANE and MIKE**, **Amy** (4 yrs) and **Beth** (21 months) have moved to 48 St. John's Ave. Purbrook, Hants. Amy has started School this term and loves it! She is sweet, and calls herself 'our little friend'! Beth is a tall, lively little girl.

**ANDREW and EVE**, **Rachel** (2 yrs) and **Lois** (1 yr) are still in Maidenhead, They invited us to a wonderful fortnight's holiday with them last February in Cape Town. There we shared in Rachel's first steps. She is very 'grown up', full of fun and wisdom.

**RUTH** is still in Cambodia working for World Vision. It was a joy to see her for three weeks in June. Hopefully she will be back in March '94.

**DAVID** has moved to Witley where he has bought a house. He travels the world giving presentations about 'multimedia'. It is always good to see him when he is 'Home based'.

We thank God for our extended family and our many loving friends. We send you our love on the Birthday of Jesus, and best wishes for 1994.
