1995 started with **Pat** and **Marion** on a plane, flying to New Zealand. Andrew and Eve invited us to join them on a trip to visit -

Loïs and **Ken**. It was lovely to see them all, **Mary**, **Esther** and **Zoë** now sound like real Kiwis! They 'mothered' Rachel and little Loïs beautifully, and it was fun watching them together.

Robert and **Peter** are living in The Hague, where Robert is the liaison officer for UNHCR, and Peter attends the British School.

John and **Shelagh** are still living in Godalming Vicarage. **Jo** was confirmed this year on 11th October, **Suzanna** and **Lucy** are fast becoming ballerinas!

Islay Jane and **Mike** have had a busy year, and still managed to find time to organise a fashion show in aid of 'Shepherd of the Hills' Children's Home. They, with **Amy** and **Beth** live in Purbrook.

Andrew and **Eve**, after much thought and many changes, finally settled on the names '**James Patrick John**' for their new son, born on 18th May, brother for **Rachel** and **Loïs**.

Ruth was home from Battambang for a few weeks in May. She has been working for nearly four years in a danger spot, and we look forward to her return later in the new year.

David surprised us in New Zealand, when he turned up unannounced, to join us for a few days on the beach. He then announced his engagement to **Rose** Thompson and they were married in Porlock Weir on 1st April.

In May we had a lovely joint celebration for Pat's 80th birthday, the arrival of James, and David and Rose's marriage. As we look forward to 1996 we pray for you all and send our love.
