

We send you our love on this anniversary of the birth of Jesus,

And best wishes for 2006.

This year saw Pat celebrate his 90th Birthday, and Marion her 85th.

We had a lovely party for Pat on January 15th with all the family assembled. Even Robert flew in for the day from Jakarta, and brought with him a surprise Birthday present - copies of "Dust and Ashes", which he had edited and published in Indonesia.

We have had the joy of two new Grandchildren; Xanthe (2½ yrs) Andrew and Evelyn's daughter, and Edward Noel (2 yrs) David and Rose's son. They are expecting a second child in March.

In January David, Rose and Edward emigrated to Western Australia, to a small town about 200 miles South of Perth. We keep in touch through the wonders of technology by Computer and often say "Goodnight" to Edward through the airwaves!

We are grateful that we are well enough to stay in our home here with John close by and lovely visits from Lois, Jane and Ruth, our trio of nurses, who help us over crises periods!

God bless

Pat and Marion Ashe
