

News from Pat and Marion

Some of you will have heard that, sadly, Pat fell in November while feeding the birds in the garden, and broke his hip.

Still hospitalised at the time of writing, he is making good progress at Milford Hospital, and we would like to thank you for your prayers for him.

Marion was unwell in May, but made an amazing recovery – before falling in September and breaking her arm, which is now beginning to heal.

Family and friends have been wonderful in providing support and we feel so blessed by the love that has been shown to us at this time of need.

Our family has grown larger with the birth of another grandchild, Benjamin David, a second son for David and Rose.

More good news was that Mary, Lois and Ken's eldest daughter, graduated as a doctor and is now practising medicine in Northern Ireland. Also, Peter, Robert's son, graduated from Exeter with an Honours degree and has started working in London.

The rest of the children and their families are all well, and still living in the same places as last year!

We send our love this Christmas and continue to thank God for all His blessings.

with our love,

Pat and Marion
